Ref: PCN_CD_20200218

Product Change Notice

Corporate Design

Summary

Effective 18th of February 2020 NetModule will change the corporate design (CD). As a result, the appearance (logo, color, font) of our products will be changed according to the new CD.

Important: there is **no impact on the product functionality** – the form-fit-function compatibility is ensured.

The product transition phase starts 18th February 2020.

Affected Products

Products are **affected** by this change:

- Routers & Gateways: NB800, NB1601, NB1800, NB1810, NB2700, NB2800, NB3701, NB3800
- Software: NetModule Router Software, NetModule Connectivity Suite

Products **not affected** by this change:

- Accessories (power supplies, starter kits, …)
- Antennas

Transition Phase

Routers & Gateways Hardware will be migrated to the new CD starting 18th of February 2020:
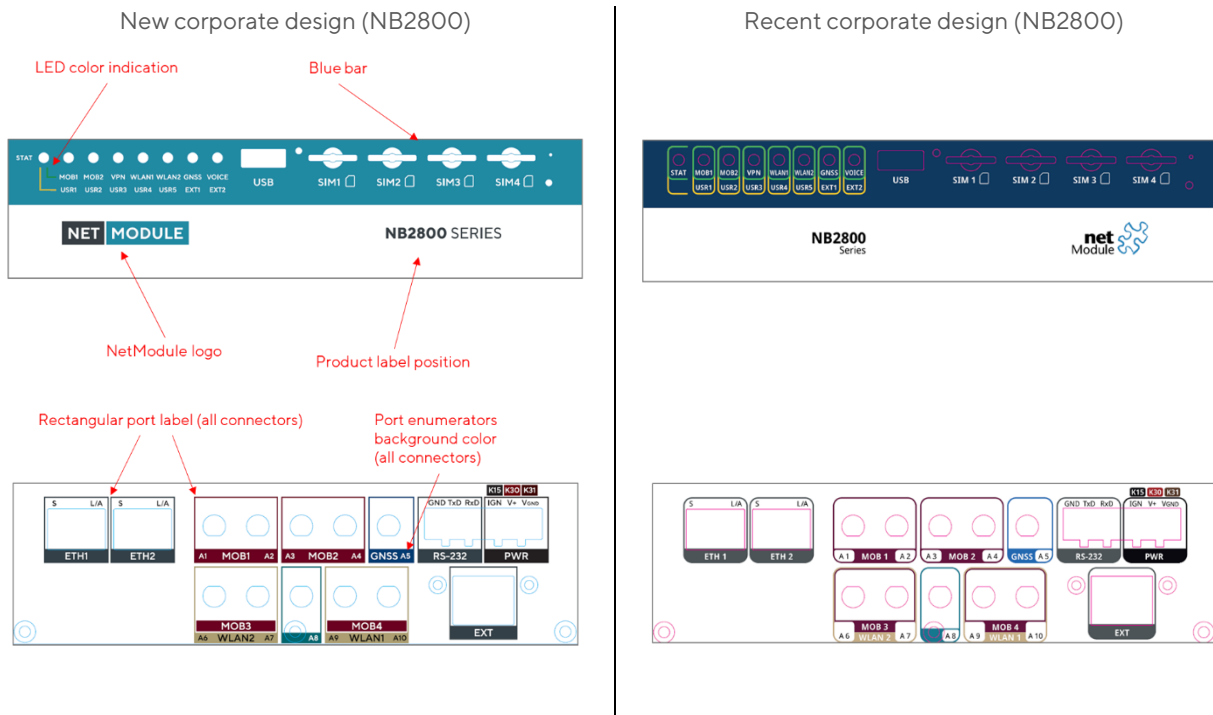

- Products ordered before 18th of February 2020 will be shipped in the recent design if possible
- Products ordered after 18th of February may be shipped in the new design
- Each product variant within one shipment is always in a uniform design

The new CD is applied to **NetModule Router Software** (NRSW) starting with versions 4.3.0.105, 4.4.0.103, 4.5.0.100 (release planned for April 2020).
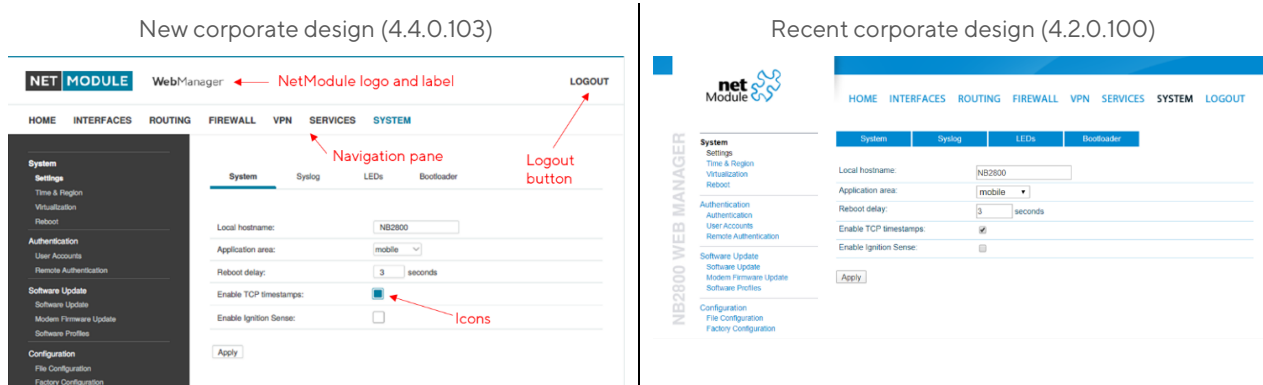

The new CD is applied to **NetModule Connectivity Suite** starting version 2.3.
