

Ref: PDN\_NB3701\_NB3800\_Lg\_Lbb\_20240222

Date: 22<sup>nd</sup> February 2024

# Product Discontinuation Notice

**NB3800-\*Lg\* and NB3800-\*Lbb\*****NB3701-\*Lg\* and NB3701-\*Lbb\***

## Summary

Effective 22<sup>nd</sup> February 2024, NetModule will begin the replacement process for the u-blox TOBY-L280 cellular modem, identified as "-Lg", and the u-blox TOBY-L200, identified "-Lbb" in the Order Codes of the NB3701, and NB3800 product families. These components have reached their end-of-life stage with very limited availability. These products will be succeeded by the new "-Lp" Order Codes, maintaining the same feature set, except for CSFB functionality.

## Affected Products and Recommended Replacements

All product Order Codes of NB3701 and NB3800, bearing the suffix "-Lg" or "-Lbb" will be phased out and substituted with Order Codes "-Lp", apart NB3701 with "-Lg" or "-Lbb" is replaced by NB3800 "-Lp".

Please check our [website](#) for more information or contact your NetModule sales representative for specific product variant replacements.

## Key Dates

The discontinuation of these order codes will take effect on February 22<sup>nd</sup> 2024, with consideration given to existing stock. The new Order Code "-Lp" is available since 31<sup>st</sup> of December 2022 .

## Warranty Information

The warranty remains in effect for all products affected by this discontinuation notice. If replacement is required as part of warranty coverage, the affected units will be replaced with the currently supported models free of charge. The original warranty end date will apply to the new replacement unit in this case.

## Product Change

The following LTE features comparison table show the changes introduced by the transition to the new modem.

<b>Lifecycle Status</b>	Replacement	End-of-Life	End-of-Life
